FORE! Disc Golf Club & presents Ice Bowl 2008 to benefit:

Country Kids with Cancer

Saturday & Sunday, February 2 & 3, 2008 at

Colorado Timberline Academy Disc Golf Course

This event will not be cancelled for any reason.

Wind rain or snow…WE WILL THROW.

NO WIMPS - NO WHINERS!

If you don't show you're not worthy!

A DURANGO ULTIMATE / DISC GOLFING EVENT!

We sponsored 12 families last year!

Currently CKwC is helping families from all over the Four Corners Area. Our fundraising goal is $3000.00 which can help 10 of these families for at least 1 month each.

Did you know that the Ronald McDonald House charges $15 / day plus meals for those who are selected to use their facilities? Multiply that by 7-10 days every three weeks for a year plus the expense of treatments and taking time off of work to drive to Denver for these treatments and you will have an idea of the help these families need. Oh did I mention you can usually only get in to the Ronald McDonald House once a year maybe twice if you are lucky?

All proceeds from this tournament go directly to Country Kids with Cancer who provides financial assistance to rural children with cancer to help offset the costs of traveling to Denver for treatments. Visit www.countrykidswithcancer.com for more information or call Cindi Shank 970-385-1031 or tournament director Erika Pray 970-759-8443.
